

Lettere della sua libreria  
sup. Speltzinger. Malon

Castine, Me. U.S.A.  
January 10, 1896.

To the Observatory  
of Astronomy:—

I am  
much interested in  
class room work in  
Astronomy. Have  
you circulars of  
your results in  
Observatory for dis-  
tribution? If so,  
what may I do  
to secure them?

Yours very truly,  
(Miss) Minnie Austin,  
State Normal School,  
Castine,  
U.S.A. Maine
