

HÔTEL CHAPMAN

21-Pandolfini-21

FLORENCE

April 15, 1894.

My dear Professor Tacchini,
Thanks
for your two letters, and for the
mail matter you were kind
enough to forward from Rome.
I had very pleasant visits with
Professor Lorenzoni and Abette in
Padua, and Professor Righi in
Bologna. We expect to remain
here until April 30, and leave
for Rome on that day. We should
be delighted to see you here.
Could we not return to Rome
together?

Very sincerely yours
George E. Hale
