Prof. Pietro Tacchini

Dear Sir,

Mr. J. F. Maunder  
has forwarded to me your  
remittance in payment of  
your entrance fee and subscription  
to the B.A.A., for which I  
am obliged. I find however,  
that the post office order is  
for the sum of 14s. 10d. only  
instead of 15s. 6d. which is  
the proper amount (viz: 5s.

lustrum fee and 10s. 6d. for  
session's subscription). As it  
is awkward to remit such  
a small sum as the deficiency  
from Italy, I enclose receipts  
for the proper amounts and  
I shall be obliged if when send-  
ing your next session's subscription  
you will add the present deficiency  
to it & remit me 11s. 2d.  
instead of 10s. 6d. I think you  
will find that the proper equivalent  
of 11s. 2d. is 14fr. 7cent.

I am,  
Yours sincerely  
W. M. Maw.
