HARVARD COLLEGE OBSERVATORY

CAMBRIDGE, MASS.

U.S.A.

Dear Sir,

I am travelling for some months in Italy with Miss O. M. Swann of Cambridge.

Mr. Fickering was unable to come, as he is publishing, and can not leave the printer.

May I have the pleasure of going over your Observatory, and of bringing Miss Swann also to see it?

If so, at what hour, and on what day would it be

most convenient?

We also hope to have  
the pleasure of seeing you,  
of whom we have heard  
so much.

Very truly,  
L. S. Fiedlering.

Please address me/  
as Mrs. Edward C. Fiedlering
