Mons. P. Tacchini,

Società degli Spettroscopisti
Italiani. Palermo.

Dear Sir,

I am directed by the
President of the Asiatic Society
to acknowledge your letter of
the 27th October, with the
accompanying numbers of the
"Memoires del Societa degli
Spettroscopisti Italiani; and
to tender the best thanks
of the Council of the Society
for the gift, with an assurance
that the Council look forward

1862
with great ~~pleasure~~ ^{interest} to the
time when the Spectroscopic
Observatory, now being set up
under the direction of the
Rev. Father Lafont, should
be sufficiently advanced to
enable observations to be made
& recorded in this most
important branch of science,
& they will have great pleasure
in communicating these
observations to the Society
of Italian Spectroscopists,
as soon as published in the
Society's journal.

Yours faithfully
W. Waterhouse
Hon. Sec. A.S.S.
