

THE OBSERVATORY,

DUNECHT,

ABERDEEN. 1888, May 8.

Rev. Prof. Tacchini,
Rome.

Dear Sir,
Many thanks for the missing
numbers of your Memoire. I have now
the pleasure of seeing this fine work
complete.

By post I have pleasure in returning
the duplicates that had accumulated
here from various sources -

Please also to accept our thanks
for observations of the Comet.

Believe me
Dear Sir,
sincerely yours
Ralph Copeland.
